

# THE DUKE'S MEN OF YALE

www.dukesmen.com

Greetings! We are the Duke's Men of Yale, an a cappella singing group from Yale University in New Haven, CT. Founded in 1952, we are the youngest all-male a cappella at Yale, marrying the longstanding traditions of our university with a fresh sensibility. The Contemporary A Cappella Society has called The Duke's Men "the Best Collegiate Group in the United States," and our music reflects a broad array of tastes that can appeal to all ages. The Duke's Men's repertoire includes jazz, soul, classical, and pop, combining old favorites with modern classics for a diverse and beautiful body of music. Recent concerts include providing festive music at

the White House Holiday Party, singing the National Anthem for the Mets at Shea Stadium, as well as performing at hundreds of schools and country clubs across the nation and around the world. In past years we have also entertained such notable figures

as Arnold Schwarzenegger, Vanna White, and Ella Fitzgerald. Last Spring we were named Best A Cappella Group in New

England at the International Competition of Collegiate A Cappella. If you are interested in inviting the Duke's Men to perform at your event please contact our Business Manager, Adam Metzger, at [adam.metzger@yale.edu](mailto:adam.metzger@yale.edu), or by calling (908) 309-6842. We hope to hear from you soon!
